*Be It Enacted by the General Assembly of the State of Iowa:*

- 1 Section 1. Section three hundred twenty-one point
- 2 four hundred sixty-seven (321.467), Code 1946, is hereby
- 3 amended by striking the word "twenty-five" in lines eight (8)
- 4 and twenty-one (21), and inserting in lieu thereof the word
- 5 "fifty".

### EXPLANATION OF H. F. 322

It being a fact that most of the telephone companies in Iowa, and private power companies doing business in Iowa are forced at times to violate this section due to the fact that most of the companies and communication or distribution businesses operate from a central office where most of the equipment is kept, and to transport it where needed in most instances is over twenty-five miles.

It is believed that this bill will alleviate this situation.
